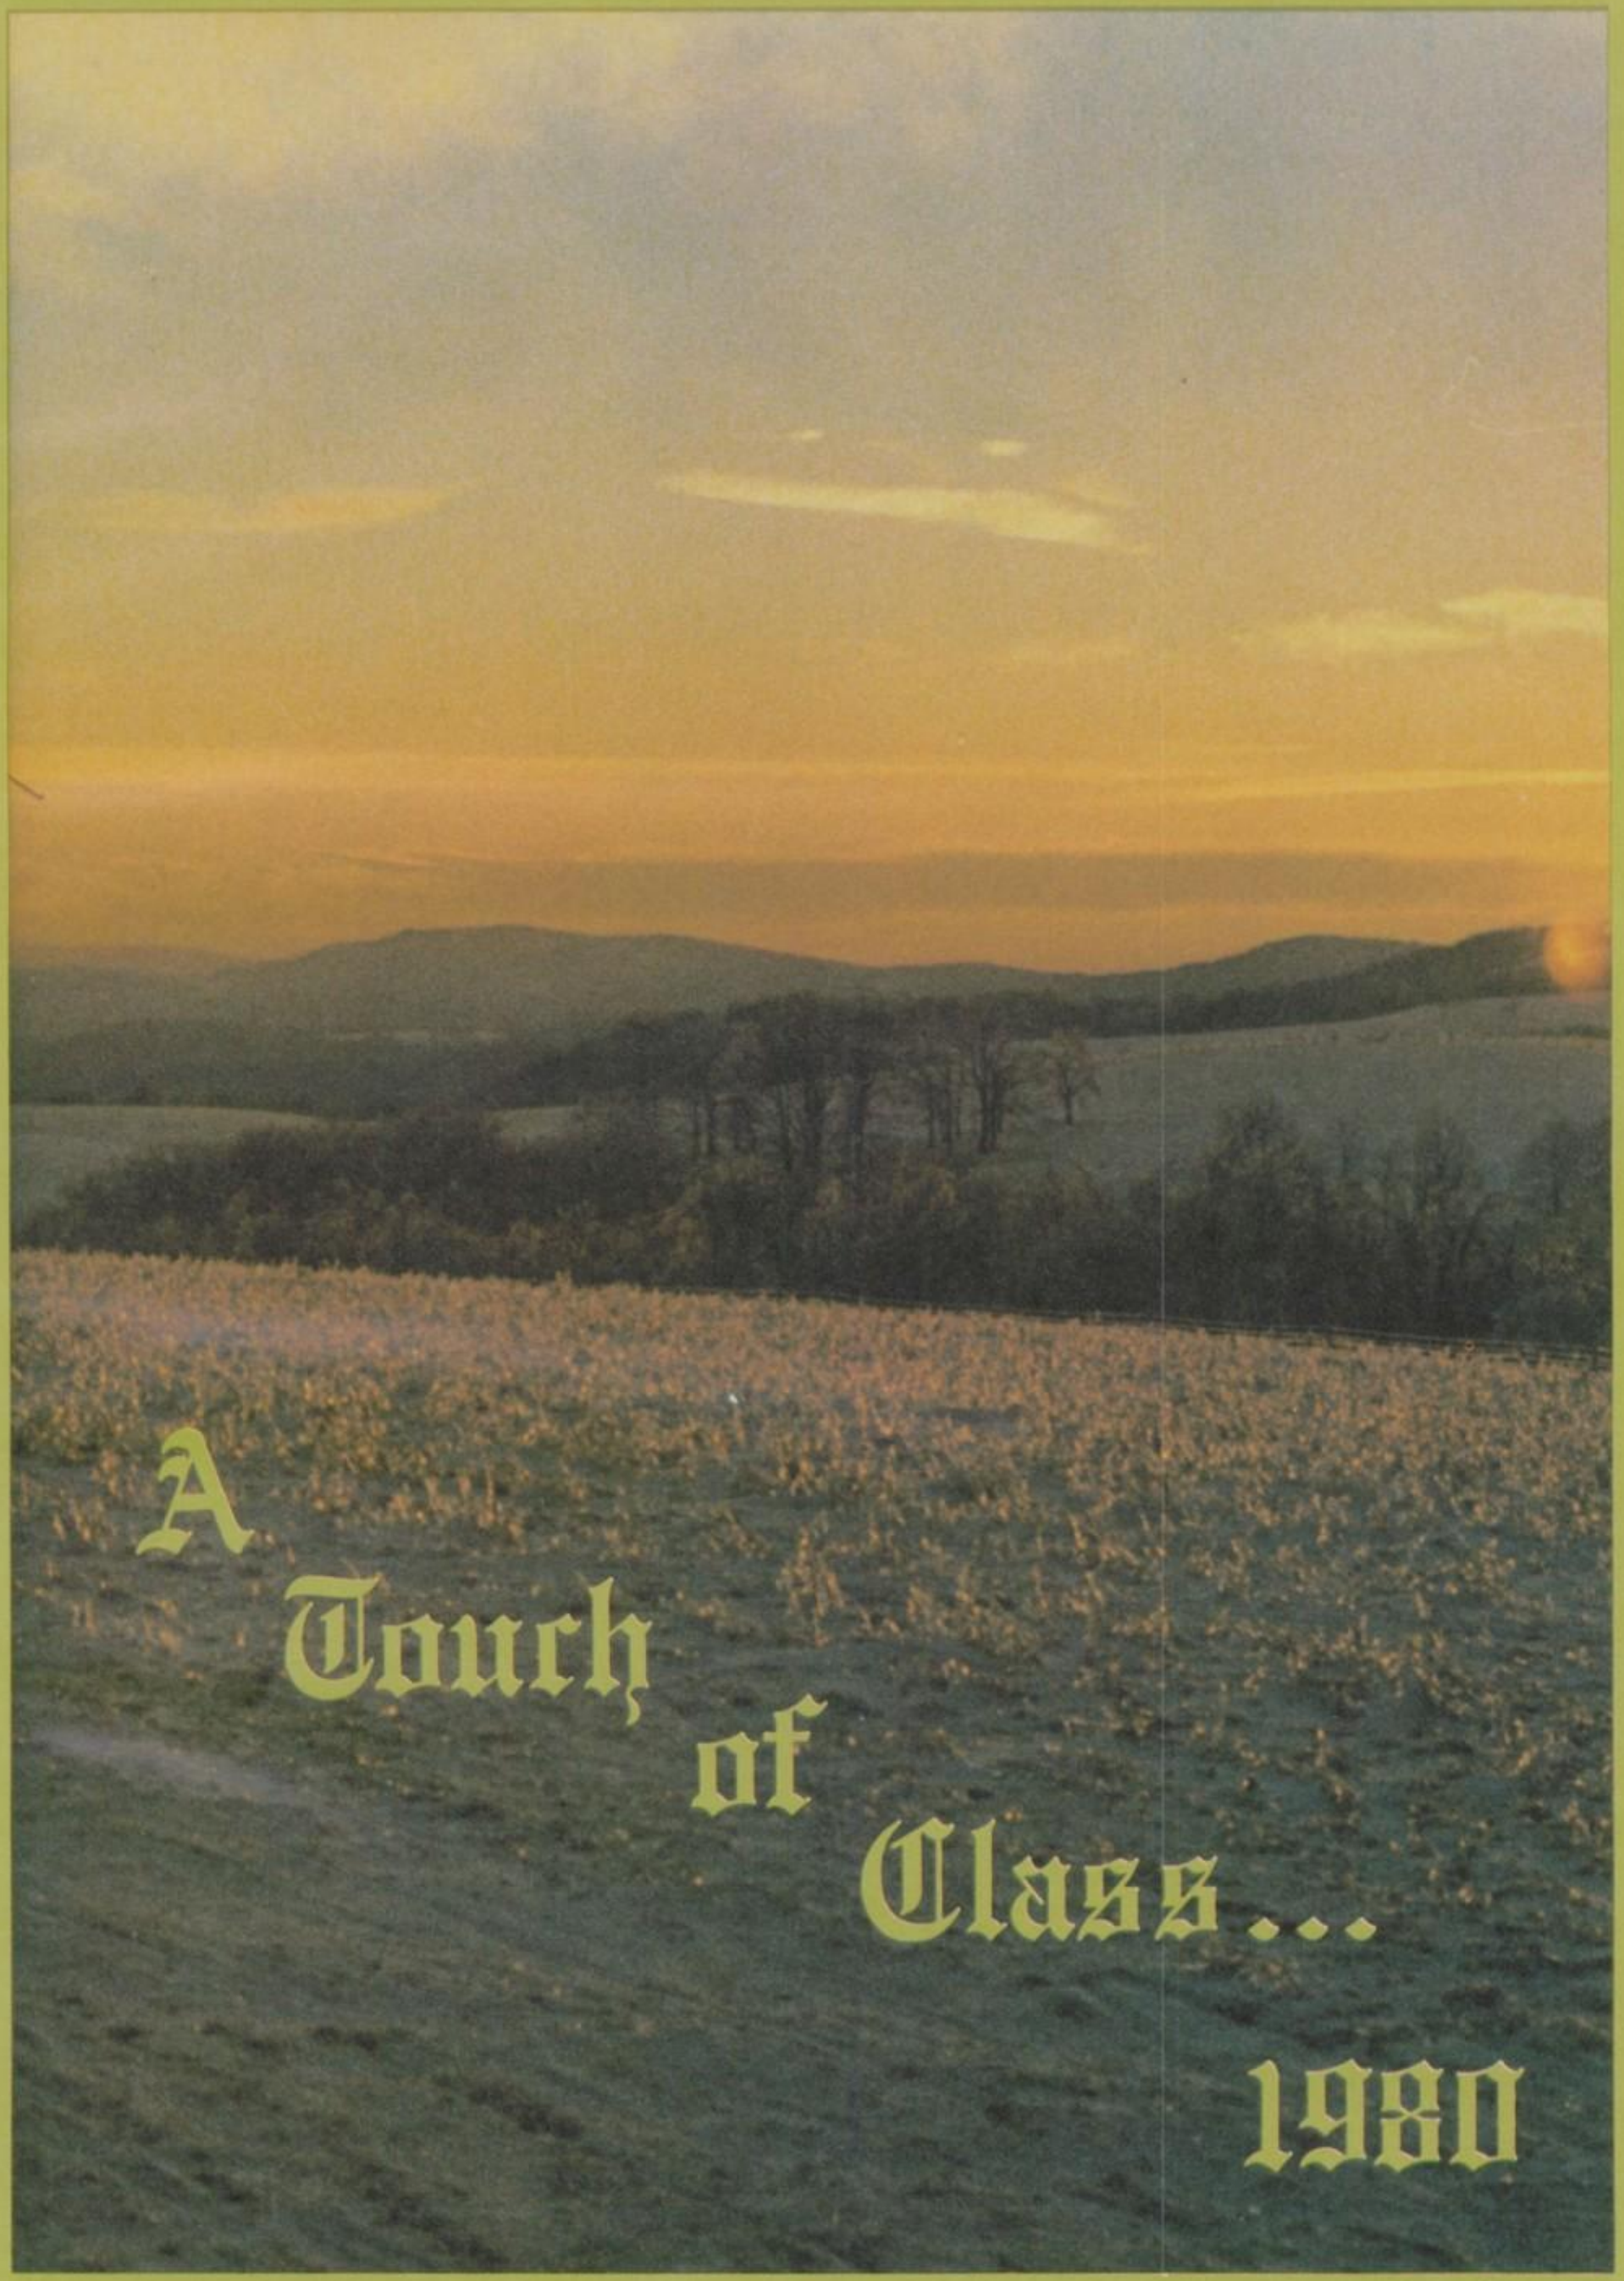
EIGHTY



A Touch of Class...
1980

The dawning of a new decade – "A Touch of Class." We went through the late 60's, the 70's and now the 80's . . . The beginning of our own lives. We have been through changes – good changes, changes that we will remember the rest of our lives. As we go on, we will look back on the good times. We hope the underclassmen will enjoy their senior year as much as we did.

SUMMER

In Dedication To
Mrs. Vivian Thomas McConnell

"If I can just get 'em to think!" That has been the goal set for every student that has come through the door into Mrs. Vivian Thomas McConnell's English classes, and she has accomplished her goal with most of us.

It is an even greater accomplishment as she has taught "us" of the former Terra Alta High School and East Preston, for over 30 years. When she was not guiding us through family trees, anti-nuclear demonstrations, conjugation, and the Year 2000, she had us in the auditorium – singing.

Mrs. McConnell had us singing the classical and the "top ten." Under her direction, we performed! At concerts, she would smile across the piano at us, tell us how nice we looked, how good we were, and then she would sing quietly along with us.

In Mrs. McConnell's years among us, she has served as an example to all of us. She worked alongside her Vo-Ag teacher-husband and was awarded the FFA's Honorary Chapter Farmer Degree. In 1970, she was elected as Preston County's "Teacher of the Year." Her philosophy is to teach students to recognize the worth of an individual, to enable students to believe in themselves, and to know it is the differences in people that are their assets. To prove her lasting lessons, former students of the Terra Alta-East Preston Alumni Association made her their first honorary alumna.

That Senior English teacher is a taskmaster, but we know that when we have been through her classes, we have been somewhere. What is even better is that we know where we have to go – and thanks to her we will go with "A Touch of Class."

Spirit of the Eagles

Eagles fought hard in the rain and mud

Homecoming was celebrated with a spirit week. It all started October 8, with a week of crazy days – sock day; tie day; grub day; hat day; and blue and gold day. Points were given to each class for students participating. The Junior class received the most points, thereby, winning the spirit award.

Thursday night was the homecoming parade, in which the Junior class won the float award. Following the parade was the bonfire, which was staged to "psyche" the team up for the game. Hancock's effigy of their panther went up in smoke at the bonfire.

East Preston went up against Hancock in Friday's game. They were bogged down by mud, rain, four lost fumbles, and an interception. East was defeated 6-0. East had 160 yards in total offense – 115 rushing and 45 passing. Each team was credited with eight first downs, six rushing and two passing.

Friday evening was the homecoming dance featuring "Highway". Debbie Severe was crowned Queen and Bob Sypolt, King Football. Dorinda Mattingly was the lady-in-waiting escorted by Joe Kelly. Princesses were Tangi Wotring escorted by Bryan Shaffer, Jeanette Hollis escorted by Tim Whitehair, Della Rinker escorted by Pat Adams, Sharon Phillips escorted by Gilbert Luckel, and Beth Fultz escorted by Ryan Shaffer.

East Preston's new basketball coach is Dave Miller. Mr. Miller, being a former Central Preston principal and a native Prestonian, has signed as East Preston's basketball coach and math teacher for the 79-80 year.

Graduating from Tunnelton High School in 1963, coach Miller attended Fairmont State College from '63-'67, where he played four years of basketball under Joe Retton. Coach Miller made small college All-American and graudated with a B.S. degree in physical education and social studies.

After graduation, coach Miller moved to Bedford, Virginia to teach and coach at an A.A.A. high school before entering the University of Virginia. In 1971, he received his master's degree in physical education administration.

Coach Miller was assistant principal at Liberty High School for four years before returning to Preston County. Here he coached basketball at the former Kingwood High School for two years, one of those as assistant principal and then as principal of Central Preston High School.

The East Preston FFA Chapter started the year by electing new officers as previously stated. Some of the major activities of the chapter this year were fruit sales, Christmas tree sales, and displays.

Several members of the FFA showed animals at this years Buckwheat Festival. The chapter was represented by members in each of the dairy, beef, swine, and sheep shows, with members taking high honors in all of these.

Also during the year the FFA held a greenhand induction and initiation. This was held in front of the student body which the officers inducted twenty new members. With the help of the assistant officers these new greenhands were put through a multitude of challenging activities.

Equality at East Preston Senior High School

With the creation of Equal Rights Amendment there has been a change in the standard views taken by Americans. Not too many years ago it was not thought to be "proper" for a woman to be involved in a "man's" job or sport. These changing views have spilled over to the high school students level. You can now walk into a Home Ec. class or a Vo ag. class and see male and female working side by side. There has been both good and bad said on the subject but the fact remains that East Preston High School is part of a changing world.

Medieval Festival

The highlight of the first semester was the East Preston Sr. Hi. Medieval Festival. The evenings main program started with Galen Shaffer leading the procession with the traditional Boar's Head, followed by the choruses. A few of the evenings highlights were Medieval plays such as "Murder in the Cathedral" and "Everyman". Between the plays the East Preston chorus sang and was joined by the Community Chorus and they sang songs to fit the occassion.

During the plays, guests had the opportunity of enjoying a Medieval dinner, created by Mrs. Robin White's Home Ec. I and II classes.

There were also booths at the festival, consisting of Medieval food by the German Club, wood carvings by Sunshine Alley, plastered flowers by the Art Guild, wood clocks by Joe Stiles, and others. There were exhibits of Medieval pennants and shields as well as family tree's all created by the students of East Preston.

The occasion proved to be a *"JOB WELL DONE"* for Ms. Robb's World Cultures I and II classes, Mrs. McConnell's English 12 classes and her chorus class, as well as the supporting teachers and students who donated their time and efforts in this project.

The students at East Preston High School wonder what will happen to the future of our country and ourselves. Will it bring such fantastic technological advances such as space colonies throughout the universe, or will it bring catastrophic wars, destroyed environment, or widespread starvation?

We wonder how we will deal with the problems of the future and the problems of the present. The problems and controversies that are happening at the present time are:

Will the hostages be free from Iran?
Will we survive rising fuel cost?
Can we cope with never-ending inflation?
Can we stop the attempted Soviet domination of the world?
Will the draft be imposed?
Will women fight in our armed forces?
Will our natural resources last?
Will we destroy our environment?
Will we build more nuclear power plants?
Will we lose all faith in government?

As time goes on, many of these questions will be answered. We, at East Preston, hope that the outcome may be good and our society flourish so that new challenges may be met.
